

# Non-EU Fund Managers: Why AIFMD is Easier Than You Think

*Much more is now known about how European regulators are treating non-EU AIFMs and in many ways the regime is easier than expected. For the areas firms find challenging, there are industry experts to guide them through the process. In short, a non-EU firm wishing to market in Europe should not let fear of AIFMD get in its way.*

**Tuesday, 27 October 2015**  
**8:00 am – 10:00 am EDT**  
**Space is limited**

## Agenda

**Join our discussion** to learn more about the current state of AIFMD for non-EU AIFMs, including the national private placement regimes and how they vary across key jurisdictions. Our panel will cover registration, disclosures, obligations, reporting processes, and other topics affecting non-EU AIFMs marketing in Europe.

## On the Panel

**Jeanette Turner** is General Counsel and Managing Director at Advise Technologies where she provides expertise on regulatory compliance issues for asset managers

**Arne Zeidler** is the founder and Managing Director of Zeidler Legal Services and is the author of various legal publications, including a commentary on the German Investment Code where he covers the complete distribution law sections

**Tim Slotover** is the founder of *flexGC* and serves as General Counsel and Compliance Officer to asset, hedge fund, and alternative investment managers
